MOXIE

PROFILE
 AN INTERDISCIPLINARY ARTIST WITH A FUSION OF JAZZ R&B VOCALS. THE SUBJECT MATTER ON THE TOP OF HER LIST IS EMPOWERMENT. MOXIE EMBODIES THE REPRESENTATION OF METAMORPHOSIS OF THE ONCE OVERLOOKED CATERPILLAR TURNED BURGEONING BUTTERFLY. A FEMINIST ARTIST WHO IS LIKE ALL ARTISTS SENSITIVE ABOUT HER "ISH." HER VOICE CROONS OVER SOOTHING MELODIES AND MELODIC BOPS. HER MESSAGE IS TO THOSE THAT FEEL THEY ARE THE STRANGER THINGS. EMBRACE EVERY FACET OF YOUR UNCANNY ODDITY AND THE UNIQUENESS THAT ALLOWS YOU TO BLOSSOM. SELF LOVE IS KNOWING THAT EACH OF US IS ENOUGH JUST THE WAY WE ARE.
